

**UK Dementia  
Research Institute**

**London Proteomics Discussion Group in collaboration with  
UK Dementia Research Institute presents:**

# **The role of proteomics in dementia research**

**A proteomics webinar**

**Dr. Jeffrey N. Savas**

Feinberg School of Medicine, Northwestern University  
Chicago, IL, USA

**Pulse-chase proteomics of the App  
knock-in mouse models of amyloid  
pathology reveals synaptic dysfunction  
originates in presynaptic terminals**

**Prof. Seth Grant**

University of Edinburgh  
Edinburgh, UK

**Dissecting synapse proteome  
complexity and synapse diversity**

**Chaired by Dr. Blanca Díaz-Castro**

**7<sup>th</sup> May 2021, 14:00 BST**

**registration at [bit.ly/LPDG\\_23](https://bit.ly/LPDG_23)**
